their aforesaid research, scientific study and survey in the manner such experts will obviously feel will be fit and proper for the purpose, but suggestion from this Court is in view of the situation which is now being faced by the Administration at this stage, such survey and study and research should also be made by such experts by going inside the Jarawa territory, after themselves being properly inoculated, and by establishing contact with the Jarawas for ascertaining their views, if possible.

The said committee shall submit its report within six months from the formation of such committee before the Central Government and the Lieutenant Governor, Andaman & Nicobar Islands and also shall refile a copy thereof before the Circuit Bench of this Court.

It will be necessary for the said Committee to clearly spell out in the report the reason which according to them has caused such change of behaviour of the Jarwas in the manner aforesaid and their suggestion relating to remedial measures to be taken in respect thereof. Within six months thereafter the Centfal Government through the Home Secretary himself and the Lieutenant Governor of the Andaman & Nicobar Administration shall formulate a policy, plans and programmes on the aforesaid questions whether the steps should now be taken from bringing the Jarawas in the mainstream of the society or they should be left to
