

After formulation of such policy, the same shall be notified by the Central Government and the Andaman & Nicobar Administration and shall also be placed before the Circuit Bench of this Honble Court for appropriate order.

In the meantime, the Andaman & Nicobar Administration is directed to take the following immediate steps on war-footing -

a) To stop poaching and intrusion into the Jarwa territory and prevent its further destruction by encroachment and deforestation;

b) To issue appropriate notification clearly demarcating the Jarwa Territory as far as possible;

c) Until formulation of such policy as aforesaid not to make any new construction or extension thereof in the Jarwa territory and not to make any extension of the Andaman Trunk Road.

d) To take appropriate and suitable measures to discourage the Jarwa to come out in the open road for the purpose of accepting food, gift or otherwise and to educate the local people of the nearby village by holding frequent awareness camps, not to give food
