Sub: Action taken report on constituting task force committee-reg.

Sir,

I am directed to say that a decision was taken during a meeting held in the chamber of Secretary (TW) on 19/4/2006, to constitute three task force committee comprising of Officials from Police, Forest and AAJVS for Tirur, Middle Strait and Kadamtala areas for anti-poaching activities. Department concerned shall identify their team members and send names to AAJVS for issue of order, which is delayed considerably.

It is to mention here that protection of the Jarawas is one among the guidelines given in the Notified Jarawa Policy, which has to be implemented by us.

It is therefore requested to kindly forward a copy of the action taken report on the above decision for submission to Secretary (TW). In this connection, a copy of the field report submitted by Dr. Pronab Kumar Sircar, Research Investigator, AAJVS, addressed to Superintendent of Police (D) is enclosed herewith for kind perusal and comments.

Yours faithfully
