Sub: -For necessary alteration in the title of the research proposal-Regarding.

Sir,

Please refer to this office letter of even number dated December 3, 2004 (Xeroxed copy enclosed) regarding submission of research proposal on "A Holistic study of Ang (Jarawa) in a Changing Situation" I have the honour to point out here that a consolidated synopsis has been prepared and finalized as discussed in different meetings held in the Head Office, Kolkata. In view of the decision taken by the Competent Authority of this Survey, thereby the title of the synopsis may be read as "Ecology, Adaptation & Social Structure: A Comprehensive of the Ang (Jarawa) Situation." A copy of the revised synopsis is enclosed herewith for your kind perusal and necessary action.

It is therefore requested that the revised title of the synopsis may be placed in the ensuing Standing Committee of the AAJVS, which is scheduled for June 19, 2006. The inconvenience caused in this regard is highly regretted.

Yours faithfully,

(A. Justin)
