Sir,

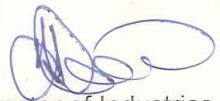

Kindly refer to your letter No. F.10(G-I)70/549 dated 4th October 2006 regarding the subject cited above. In this regard it is to inform you that the information regarding the varieties of non wood and animal products traditionally used by the tribes may be treated as nil. Regarding scope of starting handicraft units for the tribes and local people the department is exploring possibilities for handicrafts based on coir and coconut in these islands. In this connection the Coir Board has been entrusted to conduct a feasibility study to explore such possibilities.
