208

Refer: Observations of Director (TW) at para 207/N please.

209

This is regarding submission of data on population of Jarawas to Forest department of A&N Administration in connection with visit of Scientific Expert Committee from 27<sup>th</sup> October 2006 to 6<sup>th</sup> November 2006.

210

The population figures of Jarawas are collected from the Statistical books published by Directorate of Economics and Statistics, A&N Administration and the Master Plan (1991-2021) for the welfare of Primitive tribes of A & N Islands. The statement of population of Jarawas since 1921 census onwards is placed at page 202 /C. The population of Jarawas was not affected by the Tsunami 2004. However, we do not have the Official records to indicate the impact of other major events like Japanese occupation, Indian Independence, construction of ATR and Constitution of Jarawa reserve on the population trend of Jarawas.

211

With regard to the details of Jarawas visiting various health centres, the Forest department may request the Director of Health Services to provide the required information.

263/DK/TW
