LG
54/9W)

Dear Gen. Bhopinder Singh ji,

Kindly refer to your predecessor's DO letter No. 34-39/2006-MPH dated 17th August, 2006 regarding vaccination of Jarawa tribes against vaccine preventable disease.

The Expert Committee constituted by this Ministry on 15th May, 2006 have given opinion that "as Jarawa is increasingly coming in contact with the external population and are unimmunized against vaccine preventable diseases, they should be immunized as per the Universal Immunization Programme".

In view of the recommendation made by the Committee it is requested that necessary steps may be taken to vaccinate children in the Andaman & Nicobar Islands as per Universal Immunization Programme.

With regards,

Yours sincerely,

(Dr. Anbumani Ramadoss)

Lt. Gen. (Retd.) Bhopinder Singh,
Administrator (A&N Islands),
