4. Although the spirit of Jarawa policy and guidelines issued there under is to restrict traffic on ATR, experience shows that the following categories of vehicles are indulging in violation of this spirit :

(a) STS Buses :

The transport Department is operating buses far in excess of the route permits as per specified timings. These buses are carrying tourists at fares much more than the normal fares. While genuine passengers are denied ticket to travel to various destinations on ATR, these buses are utilized by the tour operators who book tickets in advance and sell the same to tourists, charging exorbitant rates.
