Tikeri- Reg .

Sir ,

Please refer to this office letter No. R/117/2006/276 dated 28th January'06 on the
subject cited above .

In this regard, it is stated that the Regional Commander, Coast Guard, A & N
Region, Port Blair has intimated vide his letter No. A/00/001/2006 dated 28/1/06 that
the dinghy was located by Coast Guard Aircraft on 27th January'06 on North Sentinel
Island . However, no person was found nearby. Subsequently , CG Helicopter was sent
on 28th Jan'06 to search for the survivors off the Island. The Helicopter could sight boat
in broken state with all items scattered on the beach . The Helicopter could also sight two
dead bodies in sand graves at a nearby location . Probably these fishermen have been
killed and buried by the sentinelese.

Since these dead bodies are lying in the hostile tribal area, your advice is solicited to
proceed further in the matter and to explore the possibility of retrieval of dead bodies .

As discussed
