PUC is a letter No. 3-2/AAJVS/GPFG/2005/294 dated 5.12.2005 of the Pradhan, Gram Panchayat, Ferrargunj regarding problem. They have stated that a number of complaints have been received from the individuals residing at Ferrargunj and Jirkatang about snatching of tools like dao, axe, ballam etc. and destroying the plantation / vegetation etc in large scale by the Jarawas. They are in the opinion that the Jarawas are hungry and are in search of food. The matter was taken up in the Gram Sabha meeting held on 3.12.2005 at Panchayat Hall, Ferrargunj and the Gram Sabha members demanded early solution of the problem with compensation to the losers. They have requested us to take necessary action in the matter at the earliest.

Since AAJVS is concerned with the welfare of Jarawas, we may ask ES, AAJVS to furnish a detailed report on the matter to this office at the earliest, if approved. Accordingly, a draft U.O note is put up for perusal and approval please.

Submitted please.
