

It has been further stated by the petitioner that some time in 1908, one injured Jarawa boy was taken to the G.D. Pant Hospital who fractured his leg, for treating him; in the hospital, the Administration gave him a V.V.I.P. treatment and all sorts of hospitality. After the said treatment the boy became fit and he was sent back to the said area and thereafter the Jarawas started appearing here and there coming out of the jungle, which, according to the petitioner, indicates that Jarawas are now impressed with hospitality, care and

of the area. attacks by the Jarawas on the other residents for them which often is also resulting in habitat in the jungle is becoming difficult food for Jarawas and their lives in their aforesaid reasons there is now scarcity of According to the petitioner because of the

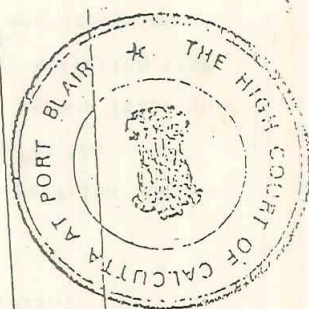

Andaman Trunk Road becomes easier due to the construction of problems; extraction of timber and posching have so-called civilised people is also creating and frequent disturbance in such areas by the Jarawa belt of South and Middle Andaman Jarawa areas have been shrinking illegally and It has been pleaded in the petition that the
