

2.72 Variation in the rate of procurement Minor Forest produce :-

There is no TRIFED functioning in this UT, nor is there any agency handling procurement and marketing of minor forest produce. The rate of royalty for extraction of cane and bamboo from the forests has been prescribed by the Forest Department. The tribal co-operative Societies, if interested to do business in minor forest produce, could exploit cane and bamboo in the tribal area on payment of royalty.

With regards,

Yours sincerely,
