Lk may like to press for year con-
firmement only for A.S.W since
our Tribals have no financial
holding capability. A letter to the
Agriculture Minister could go.

yes. kindly put up a draft for
the Agriculture Minister.

Secondly, quite separately, let us explore
the possibilities of sending assistance from
the Tribal Welfare Ministry for the
non-productive six months.

C.S. should write to say Tribal
Welfare Ministry about it. I hope that
they have funds available for general
welfare schemes/measures
on farm or off farm basis.
