

construction of godowns etc. has been completed or at what stage of construction. If completed, whether the facilities are functional or not.

(vi) Items alongwith quantity stored in newly constructed godowns/warehouses may also be specified.

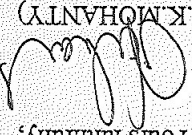

Perspective Planning alongwith beneficiaries to be covered, areas to be covered, details of projects may also please be intimated for the current financial year 2002-2003 (Proforma I enclosed).

Unless the information as stipulated above are furnished alongwith the proposal, it will be very difficult to process the case and release the fund in time. Protracted communications only get the proposal delayed and it is our endeavour to process the case fast so that the proposed projects by the State Governments may start from the current financial year itself.

~~Recently~~ The Parliamentary Standing Committee has called for certain information with regard to the performance of the State Tribal Development Cooperative Corporations. Hence the information may kindly be furnished as per Proforma II.

The Corporations are also required to send quarterly progress report for the progress made out of the grant received. Hence the information with regard to grants received during the year 2001-2002 may kindly be sent as per Proforma III.

It is, therefore, requested that the proposal complete in all respects may kindly be sent to this Ministry immediately.

Yours faithfully,

(Dr. P. K. MOHANTY)
Joint Director

Encl : As above.
