

We are formulating annual Tribal Sub-Plan 2000-2001 and 2001-2002 and we have called for 100 copies of the Tribal Sub-Plan 2000-2001 while we have called for 50 copies only of the draft annual Tribal Sub-Plan 2001-2002. We are to give two copies of the Tribal Sub-Plan to MP and 40 copies to members of the District Planning Committee. So we may need more copies of the draft Tribal Sub-Plan 2001-2002. Therefore we may request all the departments concerned to send 80 copies of the draft Tribal Sub-Plan 2001-2002 instead of 50 copies. A draft letter to all departments concerned is placed below for approval please.
