Ministers of Tibet welfare, Home and Culture
We have already send our comment/brief
to Ministry of ~~Internal~~ Affairs, J.S. (VT) in
our letter of page 309/c. of approval
we may send a similar brief to the
Ministry of Tibet Affairs on the same
matter by NAC. MHA has been requested
to coordinate for the proposed bringing to
NAC in May 2011 by the MOTA. From
our side the sum of Budget Zone is
presently sub-judice and a clear picture
may emerge in March 2011, if an
order is passed by the Apper Court. The
issue of alternative shipping route is
already sent to MHA and MOTA. While
for restructuring of ARPVs a presentation
is prepared, but due to time/work
constraint the same is not put up
for which a date from March 1.c.
will be notified. Submitted for
kind perusal and further course of
action in this critical issue.
