Port Blair, the 16th June, 2010.

Dear Dr. Hameed,

Based on an assessment of the "Jarawa" situation in Andaman Islands over the last two years, A&N Administration has suggested a review of the Jarawa Policy to shift focus of the Policy from **protection** and **preservation** to **empowerment**. Copies of my letter dated 19.3.2010 addressed to the Union Home Secretary and letter dated 16.6.2010 addressed to Secretary, Ministry of Tribal Affairs are enclosed for your perusal and consideration.

With regards,

Yours sincerely,

(Vivek Rae)
