

- to protect the Jarawas and their habitat.
- for increasing its area of operation, and for giving it more teeth
- would be immediately amended for increasing the penalties,
6. As suggested in the Jarawa Policy, the PAT Regulations, 1956 scheduled so as to enable all the outstation members to participate.
- 7 be reconstituted. The meetings of these bodies should be
5. The General Body and the Executive Council of AAJVS would
- curbed:
- for good and dedicated work. Likewise, indiscipline has to be strictly
- functions must be adequately trained, compensated and rewarded
- professional bodies. The AAJVS staff, performing such important
4. The AAJVS would be revamped/ restructured with the help of
- the Tribal Welfare department of the A&N Administration.
- it would duplicate the work already being done by the AAJVS and
3. There is no need for a Jarawa Tribal Development Authority, as
- smoking.
- transmitting to them bad habits of tobacco chewing and
- avoidance of contact with the Jarawas especially in not
- the prescriptions of the Policy as regards daytime work and
- route gets operational, it is essential that the APWD staff follow
2. Since the ATR would need to be maintained till the alternative sea
