PUC is a letter received from the Dy. Secretary (PW), A + N Adm Port Blair regarding departmental reviews on the formulation and implementation of the Plan schemes.

(17)

It is mentioned that Principal Secretary (Plg) had desired that Departmental Reviews on the formulation and implementation of the Plan schemes be undertaken in order to monitor the progress of expenditure and the physical targets achieved. He has also desired that the dept. may indicate the relevance of the Plan schemes to the policy being implemented by ~~the~~ dept. to ascertain whether these plan schemes adhere to overall policy of the Development of the Islands. We are requested to attend the Departmental Review of the dept. alongwith the
