

The scheme received from the Tribal welfare Department for sub-sector 'Welfare of SC, ST & OBC' has been scrutinised and following suggestions were made:-

1. As against the outlay of Rs. 50.00 lakhs during 1999-2000, the outlay proposed for 2000-2001 is Rs. 124.00 lakhs. It seems to be very high if compared with current year's outlay. This has to be reviewed in terms of recent instructions regarding financial stringency from Planning Commission.

2. Certain posts which were not agreed to by working groups have been included. These be dropped.

May like to call the concerned and finalise the plan.

May call the concerned officer and explain the shortcomings. What is the justification for a just 3 or 4 lakhs? Any new project or copd?
