

So far as the building component is concerned construction of an office building for Directorate of Tribal Welfare / OBCs Commission at an estimated cost of Rs. 62.00 lakhs has been taken up and is in progress. We are anticipating an expenditure of Rs. 35.00 lakhs against an outlay of Rs. 11.00 lakhs during the current financial year (1999-2000). So an amount of Rs. 25.00 lakhs is proposed towards spill over works of the above building for the next financial year (2000-2001).

The outlay for the grant-in-aid to AAJVS is retained at the level of the outlay for the current year, i.e., Rs. 12.00 lakhs as the administration is also likely to get fund towards comprehensive development of the Primitive Tribes under Special Central Assistance from the GOI.

Now revised schemes with an total outlay of Rs. 100.00 lakhs for the annual plan 2000-2001 may kindly be approved so that we could send them to the Advisor (SD&WP), Planning Commission, New Delhi with reference to her letter dated 11.11.99.
