

NO.1-454/91-TW
ANDAMAN AND NICOBAR ADMINISTRATION
SECRETARIAT

Port Blair, dated the 8th Sept, 1993.

To

The Chief Engineer,
Andaman Public Works Department,
Port Blair.

Sub:- Estimates for furniture to be provided in the
Nicobarese Guest House at South Point, Port Blair. reg.

Sir,

I am to say that a Nicobarese Guest House at South Point at an estimated cost of Rs.26.81 lakhs is being constructed and it is expected to be completed by January, 1994.

It is proposed to provide necessary furniture and other fittings in the Guest House before it is commissioned. A provision of Rs.0.23 lakh is made under scheme NO.1 of the sector-'Welfare of Scheduled Castes, Scheduled Tribes, and other Backward classes' for providing furniture etc. in the Guest House during the current financial year (1993-94). Perhaps, the above provision will not be adequate to furnish the Guest House. In that case, we may require additional fund. The Administration will be requested to provide additional fund from the overall savings under the UT plan during the year 1993-94.

You are, therefore, requested to furnish an estimate for the furniture etc. to be provided in the Nicobarese Guest House at the earliest, for administrative approval and expenditure sanction of the competent authority.

Yours faithfully,

(S.A. AWARADI)
Director (Tribal Welfare)
