Sub:- Construction of Nicobari Guest House at  
South Point - regarding.

Sir,

Construction of Nicobari Guest House at South Point taken up by this division is nearing completion. The approach to the new building is very close to the existing old Guest House and sufficient space is not available for the entry into the new Guest House.

A portion of the existing old timber building at least one way may be dismantled as such necessary approval may kindly be accorded so as to enable this division to clear the frontage of the newly constructed entry.

Yours faithfully,
