

(4)

May please peruse notes above from para 1/n onwards. It is regarding the construction of Guest House for the Nicobarese at South Point, Port Blair. As desired by the C.S. the scheme for construction of Guest House at South Point has been included in the 8th Five Year Plan. Tentatively Rs.20.00 lakhs was proposed in the 8th Five Year Plan.

(5)

However, the APWD has now sent the preliminary estimates for the above work with a cost of Rs.60,87,200/-. Thus we ^{may} have to provide the additional fund in the 8th Five Year Plan.

(6)

The Planning Commission has agreed for the inclusion of the scheme as emerged during our recent discussion of the draft 8th Five Year Plan at New Delhi. As such the Planning Commission is likely to agree for the additional fund required for the scheme which will be projected in the subsequent years of the 8th Five Year Plan.

(7)

Therefore, we may approve the estimates provisionally for the present so that the APWD can initiate the work right from the beginning of the year 1992-93. C.S. is the competent authority to approve the estimates.

(8)

The Counsellor (TW) has proposed to discuss the issue with the local Nicobari leaders so that the land required for the proposed new Guest House is made available to the APWD for the construction work.

estimates approved
