Hon'ble Lt.Governor had a meeting with tribal leaders during his visit to Car Nicobar on 25.7.1994. The following points were discussed:-

1. The construction of the second phase of Nicobarese Guest House at South Point has not commenced. Chief Engineer, APWD informed that the A.P.W.D. had already submitted estimates for the second phase of Nicobarese Guest House, at South Point. Lt.Governor desired that Tribal Welfare Department may apprise the factual position to him and take further necessary action for commencement of the second phase.
