

Slno 23 (R) P. 80/c

(103)

This is regarding construction of Nicobaron Tribal Guest House at South Point, Port Blair. The EE, Port Blair, North Division (PUC) has requested us to accord approval for dismantling of a portion of the existing old timber building to clear the frontage of the newly constructed building for entry.

(104)

As per Resolution of the Tribal Council, Car Nicobar sub-page 19/COV, the land allotted for "Nicobar House" at South Point shall be utilised for construction of Nicobar Guest House at South Point, Port Blair. There is no indication in the Resolution about dismantling of the existing old timber building. Therefore, a decision has to be taken whether a portion of the existing timber building could be dismantled or to take a permission from the Tribal Council for dismantling it.

Submitted for approval pl.
