May please peruse the notes from para 112/N
onwards. It is regarding the Administrative
approval and expenditure sanction of an estimate
for Rs. 3,23,800/- (WO) + 37,237 (DC) = Rs. 3,61,037/-
towards the cost of furniture etc. ^{to be} provided in the
Nicobarese Guest House under construction at
South Point. The building is reported to be
nearing completion.

Now only a few days are left in the current
financial year 1993-94. So it is too late to incur
the expenditure towards purchase of furniture etc.
during the current financial year.

Under Scheme No.1 of the Annual Plan Programme
1994-95 under sector : "Welfare of SCS, STS & OBCS",
an amount of Rs. 0.43 lakh is provided for purchase of
furniture etc. for tribal guest house at South Point,
Port Blair. But the said provision is inadequate to
meet the estimated cost of furniture for the guest house.
