

As the objective of documentary is for wildlife research and conservation not for Tribals, therefore, the Department of Tribal Welfare, Port Blair has got no objection to grant permission. However, while preparing documentary on the above titled, we may request them to ensure themselves with the following terms and conditions

- 1) The documentary work should be carried out under the overall supervision of Tehsildar, Little Andaman.
- 2) The team shall ensure that they will not enter into the tribal reserve area at Little Andaman without the tribal pass issued by the District Administration.
- 3) The team shall not take/click any picture/ video of tribes residing at Harminder Bay and Dugong Creek during the course of documentary.
- 4) No undue interference in the lives of tribes of Harminder Bay and Dugong Creek during the course of documentary.
- 5) The team shall not interact with any tribes while their stay at Little Andaman from January to March, 2019.
- 6) Necessary statutory permission shall also be obtained from the Department of Environment and Forest.
