Date: 04-01-2020

To  
The Director  
Tribal Welfare Department  
Andaman & Nicobar Islands

Sub: Dept. of Forensic Science, Aditya Degree College, Surampalem – Request for  
Forensic Science Project Work – Reg.

Sir/Madam,

This is to bring to your kind notice that Aditya Educational Institutions have introduced B.Sc., Forensic Science course in Aditya Degree College, Surampalem, Kakinada, A.P., from the academic year 2017-18. Aditya Degree College is the First B.Sc. Forensic Science College in both Telugu States. This Forensic Science Course was inaugurated by Sri N.SambasivaRao, Director General of Police, Govt. of Andhra Pradesh, Dr.Mutyalu Naidu, Vice Chancellor, Adikavi Nannaya University, Director of Haryana Forensic Science Laboratory and other dignitaries. The Department of Forensic Science having students from various states and majority students are from Keraia.

As part of student's academic curriculum, they have to do Project in Forensic Science Laboratories or Law enforcement agencies to get hands on exposure in forensic analysis of real time cases related to various types of crimes. This project work carries 100 marks with 5 credit points as per the Adikavi Nannaya University.

Your organisation being a very reputed Tribal Welfare Department in Andaman & Nicobar Islands, I humbly request you to kindly permit our B.Sc. Forensic Science student Sharania Anthony (ID. No. 17021-FSC-114) to commence her project in your organisation on topic - "Criminalistic Aspect of false belief in Nicobari Tribes". During this period, she will assist your officers in analytical/scientific work in the organisation. The exposure gained from your organisation will definitely add value to her knowledge of Forensic Science.

In this connection, once again I humbly request you to provide project work in your organisation. Thanking you in anticipation.

*The study will be for a period of 10 days in the month of Jan 2020 for the Tribes of Nancowry group of Islands.*
