

MANTENA VASISHTA BRIDGE JV

(A Joint Venture of Vasishta Constructions Pvt Ltd., and Mantena Infra LLP)

Date:-28-06-2019

To,
Directorate of Tribal Welfare
Andaman & Nicobar Administration
Secretariat Complex
Port Blair, A&N Island - 744101

Sub:- Construction of Major Bridge over Middle Strait Creek between Km. 106.590 to Km. 107.762 of NH-223 (New no: NH-4) connecting South Andaman & Baratang Islands in the Union Territory of Andaman & Nicobar Islands on EPC Basis. Reg: Parking of Tippers in Middle Strait Jetty

Respected Sir;

We M/s Mantena Vasishta Bridge JV have been awarded the construction work for the proposed Bridge between Middle Strait and Baratang Island. We are also allotted the road works for Baratang Island, for which the works have already been initiated on war footing. With the stoppage of quarry extraction from 15th June, we are putting in all our efforts to fulfil our daily requirement of 1000 CUM of aggregate from Port Blair on road route as sea route option has been ruled out due to low draft at Baratang jetty.

We have already taken special permission from DSS to allow the vehicle vessels to be operational till 9pm daily between Middle Strait and Baratang Jetty to ensure all our tippers (around 30 - 40) would be able to successfully; 1. Cross the jetty, 2. Unload the materials at site & 3. Return back and park the Tippers in Middle Strait Jetty. All these Tippers would be leaving on the first convoy from Middle Strait Jetty the next day and follow the same process daily.

We would request your kind support in our endeavour to deliver the Baratang road and Bridge works at the earliest.

Thanking You & Regards

Authorized Signatory
Mantena Vasishta Bridge JV
