Madam,

Your request for grant of permission to carry out interaction programme with the Onge tribe for a research article has been examined by this Directorate and of view that there is a set of protocol adopted by the District Administration for issuance of tribal pass under Section 7 of the A&N (PA) Regulation, 1956.

Therefore, it will be appropriate to approach to the Dy Commissioner, South Andaman District for obtaining the tribal pass. Any comments/views (if any) sought by the District Administration in this regard shall be extended to them accordingly.

Regards

Director (TW)
