Subject: Regarding Onges
To: "secyplg.and@gmail.com" <secyplg.and@gmail.com>

Respected Sir, This is with reference to my request to your good self to grant permission for a brief interaction with the Onges for a research article.. Sir, I have been in these Islands since 2003, have worked in Mahatma Gandhi Government College from 2003 till 2016, in the dept. of Economics as a Lecturer, till I shifted to Andaman Law college since its inception in December 2016 Sir, I assure you, being well aware of the scenario of these Islands and the sensitivity attached to the tribals of these Islands, my interest is only purely academic and would like to study and suggest, how their condition can be improved, based on the capability approach (by Amartya Sen). Therefore I look forward to a favorable reply at your end sir. I am attaching the concept, as well as the brief questionnaire, for your perusal and permission. Regards Anita Banerjee Assistant Professor (Economics) Andaman Law College
