Ref: Para 178/n

There is no provision of giving NOC by this Directorate under Section 7 of PAT Regulation for issuing Tribal Pass. However, it has been experienced that the Deputy Commissioner who is the competent authority under Section 7 of PAT Regulation usually issue Tribal Pass to those who are willing to carry out any research study or other study related documents in the tribal areas, based on the NOC issued by this Directorate. Therefore, person who approaches the District Administration for tribal pass are being advised by them to obtain the NOC from this Directorate.

In view of the above, we may issue NOC to the applicant as being given by PCCF (Wildlife) A & N Islands to carry out the research activity subject to the condition mentioned at para 178/n.
