Date: 02nd June 2020

To,
The General Manager (P)
National Highways & Infrastructure Development Corporation Limited,
 Branch Office,
 CI Office, APWD Building,
 Port Blair - 744101

Sub: Consultancy Services for "Feasibility Study and Preparation of Detailed Project Report good for tender for construction of 4 (four) numbers of 2 lane minor bridges at Km 21.742 & Km 23.160 in CRZ area and at Km 88,300 & Km 92.100 in Jarwa Area on NH-4 in Andaman & Nicobar Island on EPC basis" **Reg: Clearances**

Dear Sir,

This is in regard to the subject project wherein we are to apply for the various clearances in the Jarwa Reserve forest region. A Forest Land diversion of area 1559.4 sqm (0.16 Ha) at KM 88+300 and 1883.1 sqm (0.19 Ha) at KM 92+100 is required.

In order to complete our application for clearances a Justification letter from NHIDCL and FRA certificate from the DC is required to be uploaded into the Parivesh Portal. A draft of the Justification letter and the Site overview plan of the Bridges at these locations is being appended along with the format for the FRA certificate which may be forwarded to the DC for his reference.

Further, after speaking to the Tribal Welfare Nodal officer from the Ministry of Tribal Affairs, it was informed to us that in order to obtain a NOC from the Tribal Welfare Department, a letter regarding the same is to be written to the DC by NHIDCL.

On your receiving the FRA certificate and the NOC from the Tribal welfare department, kindly send us their scans along with that of the Justification letter so that we may upload them into the Parivesh online portal as part of the clearance application.

Yours Faithfully,
 For Almondz Global Infra Consultant Ltd.

Authorized Signatory

Enclosed: 1. Justification Letter for Forest Land Diversion
 2. FRA certificate format
 3. Site Overview/Plan
