

F.No. 1-272/2018-TW

From pre-page

Sub: - Request from ALHW to publish their departmental magazine with pictures of Jarawas

May please refer to the note at para 22/n above. The law that is, PAT Regulation is clear in the matter and the note on paras 17-20/n above is equally clear. Hence, I do not think, there is scope for a different opinion other than the one recorded on pre-page.
