To

The Assistant Commissioner,  
Directorate of Tribal Welfare,  
Port Blair.

Sub: -Issue of Tribal area landing pass- regarding.

Sir,

Please find enclosed herewith a letter no. ALHW/ENV/17/01 dated 31/07/2008 received from Dr. R. D. Tripathi, Senior Scientist of Andaman Lakshadweep Harbour Works requesting for issue of Tribal pass for entering Hitui & Munak (Nancowrie Islands) for Shri V. Mayakkanan, representative of M/s Richardson & Cruddas (1972) Ltd. Chennai. The purpose mentioned in the letter is for collection of various environmental samples.

As, it is a tribal reserved area and perhaps as per provision of PAT Regulation, 1956 collection of any sample from that area is not permissible. Please send your comments early.

Yours faithfully,

Assistant Commissioner (HQ)  
For Deputy Commissioner (SA)

In case the proposed monitoring of environmental parameters is in the public interest i.e. for CFS purposes then there does not appear to have any objection to the study. However, it should be the condition that the visiting official does not interfere with the Tribals life and culture.
