Andaman and Nicobar Islands**

Sub: Issue of Tribal Pass

Dear Madam,

Greeting from Butterflies!!!

This is to inform you that ours is a child rights based organisation working with the children of Andaman and Nicobar Islands since post Tsunami period. In Car Nicobar our intervention started from May 2005. We have been working there in tandem with the Tribal Council and Administration.

To continue our work in the island we need tribal passes in the names of **Mr. Santanu Banerjee and Mr. Samir Roy** from **5th of October 2008 onwards**, because we have plans to work there for another two years as of now.

For your kind perusal, we are enclosing a write up our intervention in Car Nicobar, copy of recommendation from the Tribal Council, acknowledgement of our service from the Office of the Deputy Commissioner and other relevant documents.

We thank you in anticipation of your support and cooperation.

Sincerely,

SANTANU BANERJEE
