

Community meeting:

Apart from the regular visit to the community Butterflies conducts regular monthly meetings with parents and community members. The purpose of the meetings is to encourage the community participation in solving problems with public institutions and infrastructure, school and any other problems which affect them or their children. Captains also attend the community meeting.

- Shri Michael Jhony, First Captain of Big Lapathy, after attending the meeting realised that the quality of mid day meal was very poor. He addressed this issue in the very next Parents Teachers Meeting. Immediate action was taken and with regular monitoring the quality of the mid day meal improved.
- In GSSArong, Car Nicobar the Mid day meal was stopped due to some financial constrains. Through the intervention of the VEC and Captain in this issue the problem was solved

Shopkeepers meeting:

The purpose of the meetings is to make the shopkeepers aware of the Tobacco product Act 2003. The shopkeepers were made aware of the ill effects of substance use and not sell the substance product to the minor.

Training workshop and consultation for Tribal council members:

An effort to create an awareness on child rights issues as well create a common platform of understanding for all grass root level functionaries to accept & adopt the UN Convention on the Rights of the Child in free will and spirit, Workshop for Tribal council members was conducted at island level for all PRI/Tribal Council members in the operational islands. Several training workshops was conducted on Child rights. Even the community members participated in the workshop.
