Secretariat, Post Blass.

Dear Sir,

This is with reference to the permission to do linguistic research on Great Andamanese. I am here in Post Blass with my team members^(*) and had a meeting with the Chief Secretary Shri D. S. Mehta this afternoon who assured me that the Tribal pass to interview the members the tribe in Adi Basea will be issued to me immediately and to visit the Strait Island will be given shortly. Thereafter I met you also and you agreed to agree that such a pass should be issued to me. Also do the needful as my work is suffering.

Thanking you

With due regards

Anvita Abbi
