

While ascertaining the progress of ex-gratia payment to the farmers affected by Tsunami Chief Secretary desired that ex-gratia payment to be made to the concerned farmers without delay.

(Development Commissioner/Relief Commissioner)

The Chief Secretary observed that the progress of the construction/repair work of schools taken up by the Church of North India is not satisfactory. The Director of Education informed that work undertaken by CNI has since been shifted to CASA.

Secretary(Edn)/CE(APWD)

Recalling the decision taken in the last coordination meeting Chief Secretary enquired about progress in the matter of distribution of LPG cylinders in various Islands. The Director of Civil Supplies informed that there is some difficulty in the distribution of LPG cylinders through the CCS Ltd. He further suggested that it would be better if the distribution of LPG cylinder is given to ANIIDCO. Chief Secretary desired that a meeting may be convened inviting the representatives of ANIIDCO, CCS Ltd, IOC so that the matter can be sorted out

(Commissioner(Civil Supply)

Recalling the decision taken in the last coordination meeting the Chief Secretary ascertained the progress on opening of PDS shops in Southern Group of Islands. The Director (CS) informed that the PDS shops have been opened in all places in Southern Group of Islands.

Commissioner(CS)
