

(44)

The Chief Secretary desired that sufficient medical staff may be posted in the PHCs and sub-centres at Hutbay.

(Commissioner(Health))

The Chief Secretary has reviewed the progress of supply of fishing boats to Fishermen. He desired that some fishing boats may be supplied to the fishermen at Car Nicobar, Campbell Bay and Kondul. The Director of Fisheries informed that there are only 2 fishing boats available in the department. Chief Secretary desired that these 2 boats may be sent to Kondul.

(Commissioner(Fisheries))

The Chief Secretary desired that the feasibility of giving a Project work to JNU on research of Great Andamanese language may be examined

(Special Secretary(TW))

The Chief Secretary enquired about the progress on implementation of the Hon'ble High Court's order on regularization of the services of the Home Guards. DIG informed that a scheme had already been formulated to regularize the services of the Home Guard in a phased manner by absorbing them against 20% of the regular vacancies occurring in any year (including existing vacancies) in all the posts in group 'D' under A & N Administration and in the post of constable in group 'C' under the A & N Police Department provided, they have rendered at five years continuous service and fulfil the eligibility conditions in the prescribed RRs/A & N Police Manual, 1963.
