Subject: Seeking permission to enter the buffer zone (Jirkatang-Middle strait) to collect soil samples for project work-reg.

Sir,

*through proper channel.*

Further to our discussion today, I am to inform that the final year students of B.Tech (CIVIL), of this Institute, are to undertake project on landslide modelling as part of their academic requirements to complete their degree. The project work requires soil samples to be collected at specific points (8Km from Jirkatang Check post) for testing and analysis.

In this connection you are kindly requested to accord necessary permission for the following.

1. To access the reserve area on 08<sup>th</sup> September 2017 or the next possible date.
2. Necessary police/AAJVS personnal to accompany the students while taking the soil samples.
3. To take photograph of Landslide region .

The students may clearly be communicated with the Do's and Don't's while they visit the reserve area. The details of the students requiring permission along with the equipments carried are given as under:
