

A meeting was convened under the Chairmanship of AC(TW) on 21/6/17 along with Divisional Engineer, BSNL, Director (ANTRI) and RO(TW) regarding enhancement of the working hours timing in the JRA between 0700 hrs to 1600 hrs.

As per the DE (BSNL), the time from 0600 hrs to 1400 hrs fixed by the dept. to carry out the laying work is insufficient to complete the work in the targeted time.

AC(TW) further assured that the other terms and conditions stipulated in our letter dt. 25/5/17 should be followed strictly. For the convenience the TWO of the concerned area was also provided with telephone no. of the Engineers carrying out the work at JRA.

The request of BSNL can be considered as the last convoy leaving from Middle Strait at 3.30 pm reaching by 5.10 pm at Tirukattung. There should not be any obstacle to extend the timing from 1400 hrs to 1600 hrs, if the competent authority desires to approve. Submitted Please.

AC(TW) may like to see.
