Department of Design

Indian Institute of technology Hyderabad

Hyderabad

To

The Secretary

Department of Tribal Welfare

Andaman & Nicobar.

Subject: NOC to photo document the tribals of Nicobar under department of Tribal Welfare Department.

Sir,

As a part of my thesis project I am going to document the Nicobarese tradition and culture to reflect their way of living in the form of pictures. In regards to our last discussion, I am submitting my proposal and taking this project to work under the department of tribal welfare to preserve their culture, tradition, and craft skills in digital medium. So I request you to grant me permission for to go Car Nicobar and other Nicobarese islands to complete my project and also I request you to accompany one person for my guidance to understand the place and people.

Here I declare that these photographs which I am going to click will not be used for publication for my personal use or any other purpose without getting approval from Tribal Welfare Department, If the department want to publish a book out of it, I agree to do follow all the process which involved to make a book with acknowledgement of a project.

Thank you

Yours sincerely,

Vetrivel G
