The Contractors who are awarded to undertake Govt work in the tribal area for 2-3 years, often they find difficult to renew the tribal pass or getting the new pass, In such case tribal pass may be issued for a longer period so that frequent applying for renewal/ issuance of tribal pass and time consumed on this account can be saved. Moreover the work can be completed within the time prescribed as any delay because of issuance of tribal pass can be saved. Therefore, those who have been awarded the work in the tribal area and it will take a long time to complete the work, in such case, tribal pass may be issued for a longer period till the completion of the work or the time specified in the work order whichever is earlier.
