

DEPARTMENT OF TRIBAL WELFARE

Timeframe:

Timeframe	Description	Start and End Date
Phase One	Nicobarese	March 01 to April 25
	I will visit all the islands of Nicobar to understand the place and people. In the journey I click pictures which can reflect the way of living, life style and also it will help us to understand glimpse of Nicobarese and Nicobar Island.	
Phase Two	Nicobarese	July 03
	I will submit all the processed photograph in the form of soft copy and hard copy.	-
Phase Three	Nicobarese	-
	According to the result we get in phase two we can focus on particular subject to document the <u>complete process</u> .	

This is approximate time required for to complete the project one or two days might get varied according to the situation*

Evaluation:

Once I complete the phase one all the photographs will be submitted to respective authority for approval and only approved images will be taken further and output of the work will be presented to concerned team to make photo book.

THANK YOU
