

PUC is a letter dated 15.2.2018 received from Mr Vetrivel G, student of master of Visual Design at IIT Hyderabad, who wants to document the Nicobarese tradition and culture to reflect their way of living in the form of pictures as a part of his thesis project. He wants permission to visit car Nicobar and central Nicobar to carry out his documentation work.

In the earlier occasion also, we have permitted other peoples also to carry out the documentation work particularly in Nicobar region with certain conditions. On the same line, we may grant him permission with the following conditions

- 1) The documentary work should be carried out under the overall supervision of Dy Commissioner, Nicobar District.
- 2) No undue interference in the lives of Nicobari tribes during the course of research.
- 3) The research for documentary shall not be published unless and until it has been cleared by the RAB, ANTRI and approved by the A&N Administration.
- 4) Necessary permits for entry into tribal reserve area should be obtained from the District Administration

Kind approval of the Secretary (TW) may be solicited.
