May like to refer Para 153/n

As discussed with Secretary (TW), A&N Administration by the Assistant Commissioner (TW), Mr Vetrivel G, student of master of Visual Design at IIT Hyderabad has submitted the proposal with the undertaking that the photographs which he will take for the study will not be used for publication for any personal use or any other purpose without getting approval from the Tribal Welfare Department. Copy of proposal is placed alongside which may kindly be perused.

In the earlier occasion also, we have permitted other peoples also to carry out the documentation work particularly in Nicobar region with certain conditions. On the same line, we may grant him permission with the following conditions

- 1) The documentary work should be carried out under the overall supervision of Dy Commissioner, Nicobar District.
- 2) No undue interference in the lives of Nicobari tribes during the course of research.
- 3) The research for documentary shall not be published unless and until it has been cleared by the RAB, ANTRI and approved by the A&N Administration.
- 4) Necessary permits for entry into tribal reserve area should be obtained from the District Administration

Kind approval of the Secretary (TW) may be solicited.
