

Regarding Special Central Assistance (SCA) & Special
Component plan (SCP) for Scheduled Castes -
modifications in the Criteria for Release of
SCA to States / UTs, Unionization etc.

(24)

In this context, it is stated that in this
U.T. no scheduled Caste Community has
been notified so far and hence schemes
related to Scheduled Castes are not
implemented. Hence funds under Special Central
Assistance has not been allotted so far. Since the
Criteria for Release of SCA fund to States / UTs
is forwarded for information, no action seems
necessary and therefore, if approved, we
may keep the Criteria for Release of SCA
for future guidance.
